

2026 Ukama Partnership Appeal
Food Security for our Hama in Zimbabwe
A shared project of the NHCUCC Ukama Mission Group
and the United Church of Christ in Zimbabwe

With the collapse of USAID, in Zimbabwe 120,000 nurses have been fired and with that no medications, no food security programs, no preventative programs and more through that agency. The urgent need is for funds to purchase food for the families most in need. Churches in Zimbabwe often provide critical support for hungry people in their areas. With our financial support, they can provide food to even more families. The Ukama Mission Group invites you to offer individuals and congregations the chance to donate to this year's annual appeal.
